PREFACE.

In issuing this directory of the clubs and club men of Boston, we have presented a book, which will, we believe, prove a valuable volume to its patrons. It contains a list of nearly twenty thousand names and addresses, and includes, so far as our knowledge extends, all the clubs of any social or political prominence in this city. Our sincere thanks are hereby tendered to the officers of the clubs who have so kindly aided us in furnishing and correcting the lists of members, and while some errors in names or addresses have doubtless occurred, we have used our utmost endeavors to have them absolutely correct. We would ask that all errors which are noticed will be promptly reported to us that they may be corrected in subsequent editions.

As regards our advertisers, we would call attention to the fact, that we have presented none but those of undoubted reputation, and who are well deserving of the patronage they enjoy.

Thanking our patrons who have so generously subscribed for the work, we remain, very respectfully,

THE PUBLISHERS.

BOSTON CLUBS.

In selecting the Table and Sideboard Outfits in

CHINA, GLASS,

AND

SILVER-PLATED WARE,

the house committees of the various clubs are respectfully invited to examine and price the stock of goods specially intended for this department of our business.

Our special "Club" salesman is well informed on all the details of his department, and is always ready to give estimates, either for new equipments, or for "matching up" old ones.

Champagne ANALYZED

Champagne, with a minimum of alcohol, is by far the wholesomest, and possesses remarkable exhilarating power. **THOMAS KING CHAMBERS, M. D., F. R. C. P.**
Honorary Physician to H.R.H. the Prince of Wales.

Having occasion to investigate the question of wholesome beverages, I have made chemical analysis of the most prominent brands of Champagne.

I find **G. H. Mumm & Co.'s** Extra Dry to contain in a marked degree less alcohol than the others. I therefore most cordially commend it, not only for its purity, but as the most wholesome of the Champagnes. **R. OGDEN DOREMUS, M. D., LL. D.**
Prof. Chemistry, Bellevue Hospital Med. Col., N. Y.

The Only Wine to be Used in Diabetes Mellitus.

From abstract of the course of practice of medicine by Professor Alfred L. Loomis, at the medical department of the University of the City of New York, reported in the "Amphitheatre," organ of the medical colleges of America. "Treatment of Diabetes." "No wine whatsoever, except Mumm's Extra Dry Champagne."

Messrs. G. H. Mumm & Co. use only the choicest grapes of the best districts, and the cream of the Pressing for their Champagnes.

J. CALVET & Co

BORDEAUX.

The superiority of "J. CALVET & Co." Clarets is well known, and vouched for by the great reputation of this house as shippers of carefully selected wines. They were the purchasers of the entire crops of some of the well-known growths of the year 1880, such as Châteaux "Duhart Milon," "Desmirail," "Langoa," "Lagrange," "Léoville Lascazes," and have always made a specialty of fine Châteaux Wines.

CROSBY'S

VITALIZED PHOSPHITES,

From the Nerve-giving principles of the Ox-Brain and the Embryo of the Wheat and Oat.

For twenty years has been a standard remedy with physicians who treat mental or nervous disorders.

Sleeplessness, lassitude, forgetfulness, nervousness, inability to study or work is but

BRAIN HUNGER;

in urgent cases, BRAIN STARVATION. This special brain food replaces the molecules that have been changed or destroyed, gives energy and restores lost functions. It is of special use

TO THOSE WHO ARE GROWING OLD,

and still wish to maintain their mental activity. It has been used with great benefit by BISMARCK, GLADSTONE, DON PEDRO, and thousands of our hard brain workers.

It has been highly commended by President Mark Hopkins, Prof. Willard Parker, Prof. Alfred C. Post, Prof. George M. Beard, Prof. John C. Draper, and innumerable physicians who have used it.

It is an active VITAL Phosphite, not an inert laboratory phosphate or soda-water absurdity.

NATURE'S HALLELUJAH.

From original designs by IRENE E. JEROME, author and artist of "One Year's Sketch Book," "The Message of the Bluebird," etc. Presented in a series of nearly fifty full-page illustrations (9½ x 14 inches), engraved on wood by GEORGE T. ANDREW. Elegantly bound in gold cloth, full gilt edges, $6.00; Turkey morocco, $12.00; tree calf, $12.00; Spanish calf, $12.00; English seal style, $10.00.

UNIFORM WITH

ONE YEAR'S SKETCH BOOK.

Comprising forty-six full-page pictures, 9½x14 inches. Elegantly bound in the same styles as "Nature's Hallelujah," and same prices.

Miss Jerome is a young artist with a decided individuality, an unaffected feeling for nature, and a preference for a straightforward way of expressing it. Her studies were made, apparently, out-of-doors, or directly from the object; and having been engraved without any attempt to give them a look of finish, they furnish vigorous representations of characteristic American landscapes and blossoms and buds. It is quite a relief to turn to such a volume, after looking at pictures of nature made with the help of the camera, or at European engravings.

MISS JEROME'S PERPETUAL PLEASURE SERIES.

"The sketches are such as the most famous man of the country might be proud to own. They are original, strong, and impressive,—even the lightest of them; and their variety, like the procession of nature, is a perpetual pleasure."

THE NEW BOOK FOR THE SEASON.

A BUNCH OF VIOLETS

Gathered by IRENE E. JEROME.

Engraved on wood by Geo. T. Andrew, and printed under his direction. 4to, cloth, $3.75; Turkey morocco, $9.00; tree calf, $9.00; English seal style, $7.00.

THE MESSAGE OF THE BLUEBIRD

TOLD TO ME TO TELL TO OTHERS.

An illustrated souvenir. Lee and Shepard's new edition in dainty binding. Cloth and gold, $2.00. Patatine bound, floreated ornaments, raised gold titles. Satin binding, boxed, $1.00.

"In its new binding is one of the daintiest combinations of song and illustration ever published, exhibiting in a marked degree the fine poetic taste and wonderfully artistic touch, which render this author's works so popular. The pictures are exquisite, and the verses exceedingly graceful, appealing to the highest sensibilities." — *Boston Transcript.*

Sold by all booksellers, and sent by mail, postpaid, on receipt of same by the publishers.

What Makes a Paper

Valuable to Advertisers?

The fact that it is read by their customers, or those whom they wish for customers. That the Boston Herald is such a paper is shown by its large circulation. Everybody likes to read a paper that is not only newsy, intelligent and accurate, but that also has the art of **"Putting Things Well,"**—that is, interestingly, entertainingly and pungently. That is the kind of paper the Boston Herald is, and everybody reads it for that reason. If you wish to advertise intelligently, consider the Boston Herald. It is one of the features of New England, bright, fearless and independent, and is sold everywhere.

THE BOSTON

SATURDAY EVENING GAZETTE.

THE SOCIETY PAPER OF BOSTON.

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for nearly three quarters of a century the leading family weekly journal of the city. Its circulation is largely among the most intelligent and influential class of readers. In the discussion of topics relating to

Literature, Politics, Art, Music, and the Drama, Society, and the General Affairs of the Day,

it employs the best writers, and among these are gentlemen and ladies who are recognized as the first authorities in the specialties of which they treat.

An important feature is the publication of the sermons of the Rev. JAMES FREEMAN CLARKE, D.D., which are printed each week during nine months of the year, from the author's manuscript, and are believed to be the ablest and the most widely read discourses that emanate from any New England pulpit.

The GAZETTE is a special favorite with the ladies. Its **"Outs and About"** columns contain a larger amount of matter of interest to this class than can be found in any weekly journal in the country, and have given it a reputation in Society Circles everywhere. The **"Familiar Letters of Peppermint Perkins"** are among the many strong and popular specialties of the GAZETTE, and have from their first appearance enjoyed a constantly increasing favor. As a hotel paper, the GAZETTE stands second to none in extent and thoroughness of information. It is taken in clubs throughout the United States. In fact, as a **Society, Hotel, and Club Paper,** it is without a rival.

The GAZETTE gives close attention to local news, and is the only Sunday paper in Boston, except the "Herald," that has the advantage of the Associated Press telegraphic despatches.

As an advertising medium the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage; and by the Book Trade, the Hotels of the Country, the Dry Goods Trade, and in specialties in which the patronage of ladies is solicited, it is most of all sought.

"One of the brightest and most enterprising papers in New England."—*Harper's Weekly.*

"THE BOSTON SATURDAY EVENING GAZETTE continues to be conducted with diligent enterprise, and to maintain its claims to the regard of its numerous friends by the diversity and ability manifested in its well-filled columns from week to week."—*Boston Transcript.*

"THE BOSTON SATURDAY EVENING GAZETTE, which has seen the rise and fall of at least a score of newspapers in Boston, keeps on the even tenor of its way without a skip or break. Its appearance is not suggestive of age, but of perpetual youth, and it holds its peculiar field without a rival."—*Boston Herald.*

RICHMOND STRAIGHT CUT NO. 1 CIGARETTES

Are made from the brightest, most delicately flavored and highest cost **Gold Leaf** grown in Virginia. This is the **Old and Original Brand of Straight Cut** Cigarettes, and was brought out by us in the year 1875.

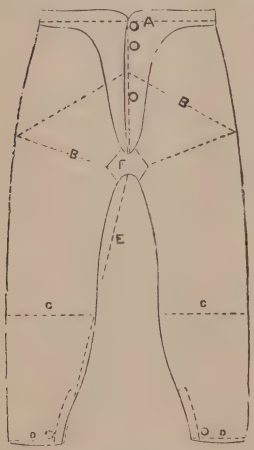
BEWARE OF IMITATIONS, and observe that the **firm name as below** is on every package.

ALLEN & GINTER, Manufacturers,
RICHMOND, VIRGINIA.

THE "HUB" WRAPS AND DRAWERS.

(Patented Aug. 8, 1874.)

Have many superior advantages over all others. Letter F, in cut, shows the **Patented Suspensory Gore,** which prevents chafing, and removes all disagreeable points, such as seams, extra cloth, and tightening over the knee. It removes the unpleasant feeling experienced in all others, both foreign and domestic, and are indispensable for large men who appreciate comfort. Also the wrap *opening in front* gives it a superiority of adjustment. As it fits loosely it remains in position, and is not so oppressive in warm weather as the light weights of merino fabric, — and for winter wear has a chest protector attached which prevents colds, neuralgia, catarrh, pneumonia, &c., — as thousands will testify to their great value. To substantiate this, I will give reference to patrons who comprise the best known citizens of Boston, New York, New Haven, Providence, Worcester, Springfield, Portland, Portsmouth, &c.



Tourists' Shirts, Lawn Tennis and **Base Ball Suits** from materials made to my special order, in new designs; also, a full line of **Foreign Flannels.** Those wishing to order by mail, send tailor's measure of pants and coat.

Custom Shirts, hand made, easy and perfect fitting, with a full line of **Colored, Cretonne, Madras** and **Penag,** for street wear. **Embroidered, Hemstitched** and **French Fine Plait Bosoms,** hand made, with **Collar and Cuff attached, for Party and Full Dress, a Specialty.**
